HARRISON SCHOOL OF PHARMACY

Burnout During A Global Pandemic

Dr. Brittany Till and Dr. Josh Settle

March 30, 2021

PROGRAM OVERVIEW

The COVID-19 pandemic is unprecedented in modern times. This live 1hr WebEx webinar will take place on March 30 from 6-7pm and is intended to increase the knowledge and abilities of pharmacists and pharmacy technicians to respond to questions that arise regarding burnout during a global pandemic. **This program has been planned for Baptist Health employees. An access code will be required.**

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at www.nabp.net.

The Office of Post Graduate Education strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This knowledge-based program is intended for pharmacists and pharmacy technicians. For this specific educational offering, the target audience will be employees of Baptist Health.

FACULTY DISCLOSURES

Programming in with AUHSOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience. Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Till and Dr. Settle have no actual or potential conflict of interest in relation to this program.

ACCREDITATION INFORMATION

The Auburn University Harrison School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is **0001-9999-21-010-L04-P/T** and is intended for pharmacists and pharmacy technicians.
Auburn University has partnered with Baptist Hospital for this educational offering.

ACTIVITY COMPLETION

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live webinar, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

LEARNING OBJECTIVES

- Explain the definition of burnout.
- Describe the symptoms of burnout.
- Identify risk factors for burnout.
- Identify ways to cope with burnout.
- Define pandemic fatigue.
