PROGRAM OVERVIEW

This program will provide 6 hours of CE credit and is offered live, via Zoom and in-person at Auburn and Mobile locations. The Friday portion of the program will be directed to those wanting to receive Consultant Certification from the Alabama Board of Pharmacy. Saturday's programming will focus on disease states and medications that impact the older adult. Participants will have the option of registering for both Friday and Saturday programming for a total of 6 hours of CE credit. Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 6 ACPE Contact Hours, .6 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at www.nabp.net. **This program is also approved by the Alabama Board of Pharmacy.**

The Office of Post Graduate Education strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists

FACULTY DISCLOSURES

Programming in with AUHSOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. All listed faculty have no actual or potential conflict of interest in relation to this program.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live Zoom webinar, complete the exam, finish the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.
