Flip the Pharmacy: Community Pharmacy Transformation

Dr. Randy McDonough

Wednesday, December 8, 2021 at 12pm – 1pm CT

PROGRAM OVERVIEW

To succeed in this evolving health care system, transformation of community pharmacy practice is needed so that pharmacists are freed up to provide patient care services utilizing practice management strategies, optimal use technology & pharmacy technicians, and collaboration with other health care providers. The registration fee for this program is \$25. The \$100 subscription for Live @Lunch series includes any/all of the 5 webinars in this series.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1 ACPE Contact Hours, .01 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

The Office of Post Graduate Education strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE) and Pharmacy Technicians (ACPE).

PROGRAM FACULTY

Randy P. McDonough, PharmD, MS, BCGP, BCPS, FAPHA

Dr. Randy McDonough is Professor of Pharmacy Management and Innovation at Loma Linda University School of Pharmacy and co-owner of Towncrest, Solon Towncrest, and Towncrest Compounding Pharmacies. He is also co-founder/co-owner of Innovative Pharmacy Solutions. He oversees Towncrest Pharmacy's clinical services including MTM services, nursing home consulting, wellness screenings, immunizations, and adherence services. He is responsible for development, implementation, and quality assurance for all aspects of the clinic and services. He is board certified in geriatrics and as a pharmacotherapy specialist. His areas of interest include community-based outcomes research, pharmaceutical education, geriatrics, disease state management, student development, and the development of patient care initiatives in the community pharmacy setting.

Dr. McDonough has published and presented extensively on the subject of pharmaceutical care and MTM in the community pharmacy setting. In particular he is recognized for his efforts in developing and implementing patient care services. He has co-authored a book on pharmaceutical care and has written chapters for several other texts. He has presented nationally and internationally on pharmaceutical care, MTM services and Performance Measures in the community pharmacy setting. More recently, two papers have been published that highlight his work in developing and implementing a new workflow process that emphasizes the role of community pharmacists of ensuring that patients are achieving their therapeutic outcomes with safe and effective medications. This led to a pilot program with the largest payer in the state of Iowa and resulted in Towncrest Pharmacy saving the payer \$300.00 per member per month in total health care costs.
