

AUBURN UNIVERSITY
HARRISON SCHOOL OF PHARMACY

Pharmacist Role in Thyroid Management

Dr. Jaycee Mandernach

June 9, 2022 - 12 pm CT

PROGRAM OVERVIEW

The value of a pharmacist can be emphasized with the patient care that can be provided to patients with hypothyroidism and the management of their medications and disease state.. The registration fee for this program is FREE.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.0 ACPE Contact Hours, .01 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by ACPE.**

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE).

LEARNING OBJECTIVES

1. Interpret diagnostic and/or laboratory tests in patients with hypothyroidism or hyperthyroidism
2. Determine the most appropriate pharmacotherapy and monitoring in patients with thyroid disease
3. Identify and develop management plans for common drug interactions and adverse drug reactions experienced by patients treated for thyroid disordersVeterans Health Administration

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live Zoom webinar, enter the attendance code within the course that was provided at the conclusion of the program, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.
