

AUBURN UNIVERSITY  
HARRISON SCHOOL OF PHARMACY

2021 Oncology Drug Update  
Drs. Nicole Hansen and Courtney Lambertsen  
February 10, 2022 - 5 pm CT

PROGRAM OVERVIEW

The registration fee for this program is FREE.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.0 ACPE Contact Hours, .01 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by ACPE.**

***The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.***

This program is not sponsored by an external organization.

## TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE), Pharmacy Technicians (ACPE), Nurses (ABN).

## LEARNING OBJECTIVES

1. Identify new Oncology pharmacologic treatment options that have come to market in 2021.
2. Discuss indication, pharmacology, drug interactions, adverse effects and key patient counseling information for new oral Oncology pharmacologic treatments.
3. Discuss indication, pharmacology, adverse effects, administration, storage, vesicant properties, premedication recommendations, and key patient counseling information for new intravenous Oncology pharmacologic treatments.
4. Appraise the potential role in therapy of new Oncology pharmacologic treatments and their current status in treatment guidelines

## ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live Zoom webinar, enter the attendance code within the course that was provided at the conclusion of the program, complete the program evaluation within the online course, and claim credit within the course. Please contact [hsopce@auburn.edu](mailto:hsopce@auburn.edu) if you have any questions or needs related to this online CE program.

## FACULTY DISCLOSURES

Programming in with AUHSOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss since commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Drs. Hansen and Lambertsen have no actual or potential conflict of interest in relation to this program.

## ACCREDITATION INFORMATION

The Auburn University Harrison School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is **0001-0000-22-002-L01-P/T** and is intended for pharmacists and pharmacist technicians.

Auburn University Harrison School of Pharmacy is a Board approved provider of continuing nursing education in Alabama by the Alabama Board of Nursing. Provider Number: ABNP1515
