Montgomery, AL | (336) 906-8701 | Lee.Arphai@va.gov

## EDUCATION & POST-GRADUATE TRAINING

---

<b>American Society of Health-System Pharmacists (ASHP)-Accredited Post-Graduate Year 1 (PGY1) Pharmacy Residency</b> Central Alabama Veterans Health Care System (CAVHCS) Montgomery/Tuskegee, AL & Columbus/Fort Benning, GA	Jun 2021—Current
<b>Doctor of Pharmacy</b> University of North Carolina (UNC) at Chapel Hill (CH) Eshelman School of Pharmacy (ESOP)—Asheville Campus Graduated with Distinction	Aug 2017—May 2021
<b>Rural Pharmacy Health Certificate Program</b> UNC Eshelman School of Pharmacy—Asheville Campus	Aug 2018—Apr 2021
<b>Bachelor of Science in Biology</b> Minors: Chemistry & Hispanic Studies Study abroad: Sevilla, Spain (2006); multiple cities in Greece (2007) University of North Carolina at Chapel Hill	Aug 2005—May 2009

## PGY1 PHARMACY RESIDENCY TRAINING

---

*Central Alabama Veterans Health Care System*

<b>Infectious Disease</b> Tuskegee, AL Preceptor: Spencer Durham, PharmD, BCPS, BCIDP	May 2022—Jun 2022 (anticipated)
<b>Patient Aligned Care Team (PACT)/Ambulatory Care III</b> Telehealth Preceptors: Brianna Rhodes, PharmD, BCACP & Shannon Bear, PharmD	Apr 2022—May 2022 (anticipated)
<b>Psychiatry II</b> Montgomery, AL & Tuskegee, AL Preceptors: Eileen Sordo, PharmD, BCPP; Kelley Trent, PharmD, BCPP; Terrence Brown, PharmD	Mar 2022—Apr 2022 (anticipated)
<b>PACT/Ambulatory Care II</b> Columbus/Fort Benning, GA & Montgomery, AL Preceptors: Autumn Gordon, PharmD, BCPS, BCGP & Cassidy Moses, PharmD	Jan 2022—Mar 2022 (anticipated)
<b>Community Living Center/Home-Based Primary Care</b> Tuskegee, AL Preceptors: Alicia Crawford, PharmD, BCGP & Crystal Wood, PharmD, BCACP	Dec 2021—Current
<b>Psychiatry I</b> Montgomery, AL & Tuskegee, AL Preceptors: Eileen Sordo, PharmD, BCPP; Kelley Trent, PharmD, BCPP; Terrence Brown, PharmD <ul style="list-style-type: none"><li>Served as pharmacist provider for medication management of substance use disorder (SUD), depression, anxiety, and post-traumatic stress disorder for the inpatient/outpatient settings</li><li>Ordered and reviewed appropriate drug-monitoring labs; reviewed non-formulary and prior-authorization drug requests</li><li>Interviewed new patients during interdisciplinary team meetings regarding medication use</li></ul>	Nov 2021—Dec 2021

## **Anticoagulation**

Telehealth

Oct 2021—Nov 2021

Preceptors: Jennifer Cook, PharmD & Morgan Fisher, PharmD

- Independently managed anticoagulation therapy for patients prescribed warfarin or direct oral anticoagulants
- Assessed appropriateness of dose per indication and other patient-specific parameters
- Monitored safety of medication therapy via CBC, SCr and iron labs and signs/symptoms of bleeding or thrombosis

## **PACT/Ambulatory Care I**

Columbus/Fort Benning, GA & Montgomery, AL

Aug 2021—Sep 2021

Preceptors: Autumn Gordon, PharmD, BCPS, BCGP; Amber Cardoza, PharmD, BCACP; Jacqueline Waller, PharmD

- Conducted up to 6 video/telephone/in-person patient visits daily for the medication management of diabetes, hypertension, hyperlipidemia, and/or tobacco use
- Counseled patients on proper techniques for blood glucose/blood pressure checks, insulin/GLP-1 administration, and recognizing/treating symptoms of hypoglycemia
- Referred patients for other services and submitted non-formulary drug requests

## **Internal Medicine**

Montgomery, AL & Tuskegee, AL

Jul 2021—Aug 2021

Preceptors: Merideth Hope Allen, PharmD & Perry Thompson, PharmD

- Reviewed patients daily prescribed antimicrobials and anticoagulants and adjusted therapy as appropriate based on renal function, serum drug levels, and indications
- Troubleshooted issues with the automated dispensing cabinet (Pyxis) including failed drawers, pinning new medications, password reset and stock reallocation
- Completed pharmacy medication dosing and pharmacokinetic consults, and compounded IV medications including antibiotics, monoclonal antibodies, and benzodiazepine drips

## **PGY1 RESIDENCY LONGITUDINAL EXPERIENCES**

---

*Central Alabama Veterans Health Care System*

### **Interprofessional Mental Health**

Jul 2021—Current

Preceptors: Eileen Sordo, PharmD, BCPP; Terrance Brown, PharmD; Mary Elizabeth O'Barr, PharmD

- Review mental health population dashboards (antidepressants, lithium, benzodiazepines, and high-risk opioids) and contact patients with potential interventions including deprescribing and adherence
- Present on the Management of Treatment-Resistant Depression at Grand Rounds Meeting to CAVHCS providers from multiple disciplines

### **Inpatient Staffing**

Jul 2021—Current

Preceptor: Merideth Hope Allen, PharmD

- Perform duties of acute care pharmacists such as verifying orders, checking IV products, troubleshooting issues with the automated dispensing cabinets, completing consults, and answering medication questions regarding drug selection, safety, appropriate dosing regimens, and drug interactions
- Review discrepancy and override reports for quality assurance measures on two campuses
- Initiate dosing and continue monitoring of antimicrobial and anticoagulation therapy based on facility policies and clinical judgement

### **Practice Management & Drug Information**

Jul 2021—Current

Preceptor: Lynsey Neighbors, PharmD, BCPS

- Review and complete adverse drug event, anticoagulation safety, and discharge counseling ongoing performance improvement reports and present these reports to P&T committee
- Develop a drug monograph and local criteria for use for finerenone
- Review and make recommendations for updates to the Sedation, Ventilation Sedation, and *C. difficile* order-set menus

### **Professional Projects, Presentations & Literature Evaluation**

Jul 2021—Current

Preceptors: Amber Cardoza, PharmD, BCACP; Morgan Fisher, PharmD; Cassidy Moses, PharmD

- Design/implement a quality improvement project for GLP-1 monitoring/follow-up and a medication use evaluation for a fluoroquinolone decision-support note template
- Presented journal club on new medication tirzepatide to CAVHCS pharmacists

## **WORK EXPERIENCE**

---

### **Health Unit Coordinator**

Aug 2008—Jul 2017

Department of Psychiatry, UNC Health Care, Chapel Hill, NC

Supervisor: Susan Hayek, RN

- Served as support staff for Child, Adolescent, Psychotic Disorders, Crisis Stabilization, Geriatric, Peripartum, and Eating Disorders inpatient psychiatry units where task included maintaining patient charts, conducting inventory/ordered supplies, creating/updating documents, leading unit and departmental projects, and leading therapeutic activities
- Served in several leadership positions including co-chair of the steering committee for Child Unit and Volunteer Liaison for three inpatient units
- Wrote proposals and awarded five grants valued at ~\$15,000 for the pediatric units

## **TEACHING EXPERIENCES**

---

### **Resident Teaching & Learning Program (RTLTP)/Resident Teaching Certificate Program**

Aug 2021—Current

Auburn University Harrison School of Pharmacy

- Participated in 8-hour retreat regarding teaching/precepting principles
- Graded exams for patient care course and facilitated insulin administration/counseling lab for pharmacy year 2 (PY2) students
- Anticipate co-precepting of APPE students during PACT II rotation

### **Graduate Teaching Assistant**

Aug 2019—Oct 2019

UNC Eshelman School of Pharmacy, Asheville, NC

Supervisors: Charlene Williams, PharmD, BCACP, CDE & Jon Easter, PharmD

- Assisted with teaching needs for two PY2 courses: PHCY 617 The Patient Care Experience I & PHCY 609 The US Health Care System
- Managed Sakai learning site; created teaching material for group facilitators
- Held weekly office hours; evaluated student reflection essays; graded exams

## SELECTED ADVANCED PHARMACY PRACTICE EXPERIENCES (APPE)

---

<b>Diabetes Center</b> Mission Hospital, Asheville, NC Primary Preceptor: Autumn Steen, PharmD, BCACP, CDE, CPP <ul style="list-style-type: none"><li>• Conducted independent patient clinic visits for diabetes self-management training, medication management, and comprehensive diabetes education at an interprofessional, ADA-Accredited Diabetes Center</li><li>• Participated in trainings for Tandem® t:slim™ and Omnipod® insulin pumps, Dexcom® continuous glucose monitors, and comprehensive meal planning for patients</li><li>• Managed transitions-of-care follow up calls for patients recently discharged on insulin</li></ul>	Mar 2021
<b>Ambulatory Care</b> Mountain Area Health Education Center (MAHEC) Family Health Center, Asheville, NC Primary Preceptor: Rebecca Grandy, PharmD, BCACP, CPP <ul style="list-style-type: none"><li>• Provided comprehensive medication management in an interprofessional family medicine residency clinic under the supervision of Clinical Pharmacist Practitioners</li><li>• Conducted independent follow-up visits for diabetes, anticoagulation, and hypertension in a Pharmacotherapy Clinic</li><li>• Completed medication reconciliations, managed consults, and resolved access barriers</li></ul>	Oct 2020
<b>Ambulatory Care</b> Indian Health Service (IHS) Cherokee Indian Hospital, Cherokee, NC Primary Preceptor: Eric Metterhausen, PharmD, CPP, USPHS <ul style="list-style-type: none"><li>• Conducted telehealth follow-up visits for diabetes, anticoagulation, hepatitis C, hypertension, hyperlipidemia, and tobacco cessation in an IHS Clinic</li><li>• Managed pharmacy consults from primary, inpatient, and behavioral health teams</li><li>• Reviewed/evaluated nonformulary medication requests at bi-weekly meetings</li></ul>	Jul 2020
<b>Ambulatory Care/Academia</b> UNC Adams School of Dentistry/UNC Eshelman School of Pharmacy, Chapel Hill, NC Primary Preceptors: Kim Sanders, PharmD & Heidi Anksorus, PharmD <ul style="list-style-type: none"><li>• Participated in interdisciplinary pre-clinical visits with dental patients via telehealth</li><li>• Created teaching material for a dentistry course and for incoming dental residents which included optimization of utilizing drug information resources and creating clinical cases</li><li>• Created an interview guide and recruitment material for a research protocol involving implementation of an integrated health service within the UNC Dentistry admissions clinic</li></ul>	Jun 2020

## RURAL PHARMACY HEALTH EXPERIENCES

---

<b>Rural Health Continuity Site</b> Mission Hospital McDowell, Marion, NC Primary Preceptor: Brian Fiset, PharmD <ul style="list-style-type: none"><li>• Shadowed preceptor at 65-bed rural hospital up to three times per semester and completed a full-month APPE rotation for the Rural Pharmacy Health Certificate program</li><li>• Conducted community health needs assessment and engaged in research at continuity site</li><li>• Presented to patients at a diabetes education class and cancer support group</li></ul>	Sep 2018—May 2021
--	-------------------

## SELECTED LEADERSHIP

---

- Member, Social Committee, CAVHCS** Aug 2021—Current
- Plan events and activities for pharmacy staff to increase morale and prevent burnout
- President, UNC Student National Pharmaceutical Association (SNPhA)—Asheville** May 2018—Apr 2020
- Led 36-member student organization in service projects/events for the underserved
  - Planned mental health, immunization, legislative, social, and service events
  - Increased efforts for collaboration with CH campus, fundraising goals, and recruitment, the latter of which resulted in a 50% increase in membership
- Steering Committee Member, Asheville Summit (Annual Pharmacy Conference)** Sep 2017—Mar 2020
- Active member of three subcommittees over 3 years: Speakers & Logistics (2019—2020, Mental Health); Marketing & Public Relations (2018—2019, Women's Health & Leadership); Finance & Registration Subcommittee (2017—2018, Population Health)
  - Secured speaker for multidisciplinary panel on mental health; assisted with save-the-dates and advertised to UNC ESOP and other schools; hosted several interactive booths
  - Acquired two grants: \$500 CPFI grant, ~\$1,000 GPSF grant; organized raffle with >\$1,500 in in-kind donations and raised ~\$1,100 from raffle ticket sales
- Co-Chair, Kappa Epsilon Beta Mu Well-Being & Resiliency Endowment Committee** Aug 2018—May 2019
- Supervised a committee of 12 students to create an endowment that raised >\$35,000 in memory of a student who died by suicide, with funds to support an annual award for leadership in well-being, resilience, and mental health and to support wellness initiatives
  - Collaborated with the UNC Pharmacy Foundation to formally establish endowment, create Give Campus fundraiser, facilitate donations, and assist with gala-planning
  - Coordinated Well-Being & Resiliency Gala in Asheville with keynote speaker Phil Ford
- Treasurer, Kappa Epsilon (KE) Fraternity, Beta Mu Chapter** May 2018—May 2019
- Set up external bank account as campus student accounts were phasing out
  - Raised >\$600 for Bright Pink breast and ovarian cancer research and education
  - Contributed to chapter receiving 2017-2019 National KE Community Service Award for projects and events dedicated to promoting mental health and well-being
- Lead Coordinator, Mental Health Awareness Day, UNC Department of Psychiatry** Aug 2014—Oct 2015
- Served as lead coordinator (2015) and planning committee member (2014) for annual public event at UNC Health Care in CH to spread awareness and reduce stigma
  - Acquired two \$500 grants and organized >25 booths highlighting education, community resources and community support related to mental health

## RESEARCH & QUALITY IMPROVEMENT PROJECTS

---

- Clinical Pharmacy Specialist (CPS) Evaluation of Glucagon-like Peptide-1 Receptor Agonist (GLP-1) Therapy Benefit Leading to Possible Follow Up and Intervention** (Quality Improvement Project) Jul 2021—Current
- Role: Primary Investigator
- Co-Investigators/Mentors: Amber Cardoza, PharmD, BCACP & Lauren Rass, PharmD, BCPS
- Primary objective: To demonstrate the impact of CPS employing electronic medical record data to screen for CAVHCS patients who may warrant adjustments to GLP-1 therapy or other diabetes-related interventions; to optimize diabetes management, patient care and safety; to identify potential barriers to care

**Evaluation of Fluoroquinolone (FQ) Prescribing and Resistance Rates After Implementation of a Prescriber Decision-Support Note Template** (*Medication Use Evaluation*) Jul 2021—Current

Role: Primary Investigator

Co-Investigators/Mentors: Lynsey Neighbors, PharmD, BCPS & Morgan Fisher, PharmD

- Primary objectives: To determine the impact of a decision support FQ note template on FQ prescribing practices and FQ resistance rates over time at CAVHCS; to identify areas of improvement for the FQ note template and prescribing process

**Appropriate Use of Ketorolac Injections in the Outpatient Setting** (*Medication Use Evaluation*) Aug 2021—Oct 2021

Role: Co-Investigator

Primary Investigator: Wendy Zheng, PharmD

Co-Investigator/Mentor: Merideth Hope Allen, PharmD

- Primary objective: To determine the rate of inappropriate prescribing of ketorolac injections for CAVHCS patients in the outpatient setting based on age and eGFR

**Trends in Post-Operative Opioid Usage with the Introduction of a Multimodal Pain Management Approach for Adult Surgical Patients in a Rural Hospital Setting** (*Research*) Nov 2019—Mar 2021

Role: Primary Investigator

Co-investigator/Mentor: Brian Fiset, PharmD

- Primary objective: To evaluate how the implementation of a multimodal pain management approach for adult surgical patients impacted postoperative morphine milligram equivalents (MME) over a 5-year period at Mission Hospital McDowell

## POSTERS

---

**Arphai L**, Neighbors L, Fisher M, Robinson M. Evaluation of Fluoroquinolone Prescribing and Resistance Rates After Implementation of a Prescriber Decision-Support Note Template. Presented at: 56th Annual Midyear Clinical Meeting and Exhibition of the American Society of Health-System Pharmacists; 2021 Dec 5; Virtual.

**Arphai L**, Fiset B, Dembski V, Galvin D. Trends in Post-Operative Opioid Usage with the Introduction of a Multimodal Pain Management Approach for Adult Surgical Patients in a Rural Hospital Setting. Poster # SP-540 presented at: 55th Annual Midyear Clinical Meeting and Exhibition of the American Society of Health-System Pharmacists; 2020 Dec 9; Virtual.

Wang G, Phillips M, **Arphai L**, Myers A. Steady Forward for Steadfast: Assessing the Impact of In-Person, Student-Driven Lesson Plans on the Residents of a Local Women's Transitional Home in Western North Carolina. Poster # SP-537 presented at: 55th Annual Midyear Clinical Meeting and Exhibition of the American Society of Health-System Pharmacists; 2020 Dec 9; Virtual.

Thao P, Wang G, Panichakornkul K, **Arphai L**. Pay It Forward: The Journey of a Student-Led Committee in Creating a Well-Being and Resilience Endowment in Memory of a Student. Poster # SP-535 presented at: 55th Annual Midyear Clinical Meeting and Exhibition of the American Society of Health-System Pharmacists; 2020 Dec 9; Virtual.

## SELECTED PRESENTATIONS

---

### *National Presentations*

- Prescription for Service: “Steady Forward for Steadfast”** Nov 2020  
Presented at: 2020 NPhA/SNPhA National Convention, Virtual  
Audience: SNPhA Executive Board, Walmart Representatives
- Chauncey I. Cooper (CIC) Chapter Excellence Award Finalist, Top 3 Medium-Size Chapters** Nov 2020  
Presented at: 2020 NPhA/SNPhA National Convention, Virtual  
Audience: SNPhA Executive Board, Rite Aid Representatives

### *Local/Regional Presentations*

- DeLIVERing a Cure: Management of Hepatitis C (CE provided)** Feb 2022  
Presented at: Central Alabama Veterans Health Care System, Alabama  
Audience: Pharmacists (anticipated)
- Matters of the Brain: Meningitis** Jan 2022  
Presented at: Auburn University Harrison School of Pharmacy, Auburn, AL  
Audience: PY2 Students (anticipated)
- Management of Treatment-Resistant Depression** Dec 2021  
Presented at: Central Alabama Veterans Health Care System, Alabama  
Audience: Pharmacists, Psychiatrists, Nurse Practitioners, and Other Providers
- Transforming Our Approach to Transgender Care (CE provided)** Nov 2021  
Presented at: VISN 7 of the Veterans Health Administration  
Audience: Pharmacists
- Tide vs. Tide: Which GLP1 will SURPASS? (SURPASS 2/Tirzepatide vs. Semaglutide Journal Club)** Aug 2021  
Presented at: Central Alabama Veterans Health Care System, Alabama  
Audience: Pharmacists
- All Hands on ‘Dec: Introducing Once-Weekly Insulin Icodec (CE provided)** Apr 2021  
Presented at: Mission Hospital April 2021 Clinical Meeting, Asheville, NC  
Audience: Pharmacy Students, Pharmacy Technicians, Pharmacists
- Thank you, Nex(letol): CLEARifying evidence on the latest LDL-lowering drug** Nov 2020  
Presented at: PY4 Seminar, UNC ESOP Asheville AHEC, Asheville, NC  
Audience: Pharmacy Students, Pharmacists
- Pharmacy: Antimicrobial Stewardship and Vigilanz Metrics** Sep 2020  
Presented at: Resource Management Committee (RMC) Meeting, Mission Hospital McDowell, NC  
Audience: CEO, CNO, Pharmacy Director, Medical Director and Hospital Leaders

## SERVICE & COMMUNITY INVOLVEMENT

---

- Western North Carolina AIDS Project (WNCAP), Volunteer** Nov 2018—Mar 2021  
Assembled clean needle bags and naloxone kits for regional distribution among other tasks  
Asheville, NC

<b>Asheville Buncombe Community Christian Ministry (ABCCM), Volunteer</b> Collaborated with pharmacy, medical and nursing students to conduct patient visits and provide health services to the underserved at a local free clinic; also staffed in the pharmacy Asheville, NC	Oct 2018—Jan 2021
<b>Steadfast House, Volunteer</b> Prepared meals, led therapeutic groups, and created educational material for residents at this transitional home for women and children Asheville, NC	Oct 2018—Nov 2020
<b>FluoroquinoTones, Co-Founder/Leader/Vocalist</b> Organized and managed a choral group made up of pharmacy students with a mission of spreading joy through music while also promoting the profession of pharmacy Asheville & Fairview, NC	Feb 2018—Mar 2020
<b>Blood Pressure/Blood Glucose Screenings, Volunteer</b> Conducted free health screenings at local pharmacies, the YMCA, and elementary schools Asheville, NC, and surrounding areas	Oct 2017—Feb 2020
<b>“Paper Chaser” Fundraisers, Origamist</b> Folded hundreds of origami pieces to raise >\$2,800 for various causes Asheville & Chapel Hill, NC	Nov 2016—Dec 2019
<b>Camp Blue Skies, Volunteer</b> Organized medications at annual camp for adults with cognitive and developmental disabilities Boomer, NC	Oct 2018—Oct 2019
<b>Veterans Restoration Quarters, Volunteer</b> Helped prepare and serve meals as part of the dinner cook team Asheville, NC	Sep 2017—Aug 2019
<b>Pay It Forward Day, Founder/Organizer</b> Created and spearheaded inaugural annual campus event with a mental health theme Asheville, NC	Sep 2018—Oct 2018
<b>UNC Health Care, College Volunteer</b> Volunteered 740 hours in 14 hospital areas including the Emergency Department, Pediatric Playroom, Inpatient Oncology, Geriatrics, Burn Center, and Neonatal Critical Care Center Chapel Hill, NC	Jan 2008—May 2009

## **OTHER PROFESSIONAL ACTIVITIES**

---

<b>Clinical Skills Competition, Participant</b> NPhA/SNPhA National Convention, 2020 Virtual	Oct 2020
<b>Diversity, Equity, and Inclusion (DEI) Recruitment Video</b> Shared experiences both as a UNC Pharmacy student and as a student on the Asheville campus Asheville, NC	Sep 2020
<b>Experiential Teaching Assistant Program Video</b> Portrayed learner in educational training video about clinical reasoning and preceptor feedback Chapel Hill, NC	Aug 2020

**Formative Assessment Video** Aug 2020  
Portrayed student learner receiving preceptor feedback as part of presentation by Dr. Charlene Williams, PharmD, BCACP, CDCES at ASHP's 2020 National Pharmacy Preceptors Conference Asheville, NC

**Clinical Skills Competition, Participant** Jul 2019  
NPhA/SNPhA National Convention, 2019  
Houston, TX

## HONORS & AWARDS

---

**2021 Governor's Service Award Recipient for Buncombe County** Jun 2021  
Formal recognition by the state governing office for local community involvement  
North Carolina Governor's Office

**Boka Hadzija Student Excellence Award – Top 3 Finalist** Apr 2021  
Peer recognition for all-around service and dedication to the pharmacy profession  
UNC Eshelman School of Pharmacy

**Inaugural "Great SNPhA Debate" – Winner** Nov 2020  
Live debate for clinical controversy topic during national pharmacy convention; ~120 attendees  
NPhA/SNPhA National Convention, 2020

**Walmart Health & Wellness Endowed Scholarship** Nov 2020  
NPhA Foundation & Walmart

**Gail Henry Hutchison Fund Award** Jul 2020  
Two-time recipient of student award for academic excellence and pursuit of rural health studies  
UNC Eshelman School of Pharmacy Foundation Jul 2018

**2020 National Prescription for Service Finalist Team** Jan 2020  
Selected as one of five finalist teams to receive a \$2,500 grant to implement a local service project  
Student National Pharmaceutical Association & Walmart

**UNC Global Pharmacy Scholar** Nov 2019  
Selected for clinical pharmacy rotation in Lilongwe, Malawi; however, cancelled due to COVID  
UNC Eshelman School of Pharmacy Office of Global Engagement

**Kelli Jordan Memorial Fund Award** Jul 2019  
UNC Eshelman School of Pharmacy Foundation

**Phi Lambda Sigma (PLS) Honor** Feb 2019  
National Pharmacy Leadership Society

**Assistive Personnel of the Year, Psychiatry** May 2016  
UNC Health Care, Chapel Hill, NC

**Plus-Person of the Year, Psychiatry** Dec 2014  
UNC Health Care, Chapel Hill, NC

## PROFESSIONAL MEMBERSHIPS

---

Alabama Society of Health-System Pharmacists (ALSHP)	Jul 2021—Current
