Resistance is Futile: Updated Gram-Negative Resistance Guidelines

Dr. Jacob Kaufman

March 22 & 29, 2022 – 12-1 pm CT

PROGRAM OVERVIEW

This CE presentation is meant to provide a brief overview of the two guideline updates from IDSA in 2020 (ESBL, CRE, DTR Psuedomonas) and 2021 (AmpC, Carbapenem resistant Acinetobacter baumannii, and Stenotrophomonas maltophilia). The focus will be on the AmpC portion of the 2021 update as well as the 2020 update in its entirety.

The registration fee for this program is FREE.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.0 ACPE Contact Hours, .01 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by ACPE.**

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE).

LEARNING OBJECTIVES

1. Outline what medications/medication classes should be avoided in AmpC producing organisms.
2. Define what an ESBL-E producing organism is and identify three medications/medication classes that may be considered for treatment of an ESBL.
3. Identify three potential medication options to treat CRE.
4. Choose appropriate antimicrobial agent(s) to treat DTR Pseudomonas aeruginosa based on site of infection.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live Zoom webinar, enter the attendance code within the course that was provided at the conclusion of the program, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

PROGRAM FACULTY

Dr. Jacob Kaufman is currently a PGY1 resident at Baptist Medical Center South in Montgomery, Alabama. His interest is in infectious disease.
