APHA PHARMACY-BASED IMMUNIZATION DELIVERY CERTIFICATE TRAINING PROGRAM FACULTY

March 24, 2022, 8am- 5pm

Dr. Spencer Durham

PROGRAM OVERVIEW

APhA's Pharmacy-Based Immunization Delivery certificate training program is based on national educational standards for immunization training from the Centers for Disease Control and Prevention. This practice-based curriculum represents a fusion of science and clinical pharmacy. The program, which emphasizes a health care team approach, seeks to foster the implementation of interventions that will promote disease prevention and public health. The purpose of this certificate training program is to prepare pharmacists with comprehensive knowledge, skills, and resources necessary to provide immunization services to patients across the life span.

The registration fee for this program is \$400.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 20 ACPE Contact Hours, 2 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

The Office of Alumni and Professional Affairs -Continuing Education strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE).

LEARNING OBJECTIVES

The goals of this program are to:

Educate pharmacists about:

- The impact of vaccines on public health.
- Pharmacists' roles in immunization.
- Immunologic principles of vaccine development and immunizations.
- Vaccine-preventable diseases and the vaccines used to prevent them.
- Strategies for improving immunization rates.
- Requirements for pharmacists who provide immunization services.

Prepare pharmacists to:

- Read an immunization schedule and identify appropriate vaccines for individuals across the life span and with special needs.
- Educate patients about the benefits of vaccines and dispel myths about vaccines.
- Safely administer vaccines to patients via subcutaneous, intramuscular, intranasal, and intradermal routes.
- Operate an immunization service in compliance with legal and regulatory standards.
- Partner with immunization stakeholders to promote immunizations and the immunization neighborhood.

Direct pharmacists to resources necessary to:

- Promote public health through immunizations.
- Access regularly updated information about vaccines and their use.
- Effectively communicate with patients and other stakeholders about resources.
- Operate an immunization service in compliance with legal and regulatory standards.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be **required to complete all home study materials needed before attending the in-person portion of this program**, access and review program materials located within the online course, attend the live Zoom webinar, complete the post live activity by uploading your successfully completed injection assessment form and complete the final assessment and evaluations to claim credit with APhA. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHSOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Spencer Durham has no actual or potential conflict of interest in relation to this program.

PROGRAM FACULTY

Spencer H. Durham, Pharm.D., BCPS, BCIDP is an Associate Clinical Professor in the Department of Pharmacy Practice and also serves as the Director of Alumni & Professional Affairs with the Harrison School of Pharmacy. Originally from Arab, Alabama, he completed his pre-pharmacy coursework at Auburn University and graduated with his Doctor of Pharmacy degree from the Harrison School of Pharmacy in 2007. He went on to complete an ASHP-accredited post-graduate residency at Children's Health System in Birmingham, Alabama in 2008. After completion of his residency, he joined the staff at Sacred Heart Hospital in Pensacola, Florida as a clinical pharmacist specialist, a role he maintained for five years.

In 2013, Dr. Durham joined the faculty of the Harrison School of Pharmacy, where he teaches in various courses throughout the curriculum.

Additionally, Dr. Durham serves as the Director of Alumni and Professional Affairs under the Associate Dean for Clinical Affairs and Outreach. As part of this position, he works proactively with HSOP alumni and other health care professionals from throughout the state and region to foster the development of innovative practice models and to expand and enhance opportunities for continuous professional development.

Dr. Durham also oversees the Office of Alumni and Professional Affairs, which is responsible for the many continuing education programs offered each year by HSOP.

Dr. Durham has published more than 20 peer-reviewed articles in respected journals and several book chapters. He is an active speaker each year at national, state, and local conferences, where he educates healthcare professionals on topics related to infectious diseases and antimicrobial stewardship. Additionally, Dr. Durham is active in several state and national organizations including the Alabama Pharmacy Association (APA), the Alabama Society of Health-Systems Pharmacists (ALSHP), the American College of Clinical Pharmacy (ACCP), and the American Society of Consultant Pharmacists (ASCP).

Practice Site

Dr. Durham maintains a practice site at the Central Alabama Veterans Health Care System where he specializes in infectious diseases. He serves as a clinician in the inpatient acute care units, the long-term care facility, and the HIV and general infectious diseases outpatient clinics. At his practice site, Dr. Durham serves as a preceptor for both pharmacy students and residents. He also holds a dual board certification as a Board-Certified Pharmacotherapy Specialist (BCPS) and a Board-Certified Infectious Diseases Pharmacist (BCIDP).
