The Safe Use of Hazardous Drugs Policy Review

Dr. Carrie Webb

February 24, 2022 - 6 pm CT

PROGRAM OVERVIEW

The purpose of this presentation is to educate and promote safe work practices for all employees who handle, prepare, administer, and clean up spills of hazardous medications; it is imperative to minimize occupational exposure to hazardous drugs to decrease the risk of adverse health effects. We will assess the knowledge of the participants with an assessment quiz and completion of the Hazardous Drug Acknowledgement Form.

The registration fee for this program is FREE.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.0 ACPE Contact Hours, .01 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by ACPE.**

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.
