HARRISON SCHOOL OF PHARMACY

## Pushing the Limit: Diuretic Resistance

Dr. Hayden Lee

March 22 & 29, 2022 – 12-1 pm CT

### PROGRAM OVERVIEW

This CE presentation will discuss recent literature and position statements regarding managing diuretic resistance in patients that present with acute decompensated heart failure. The registration fee for this program is FREE.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.0 ACPE Contact Hours, .01 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by ACPE.**

***The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.***

This program is not sponsored by an external organization.

## TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE).

## LEARNING OBJECTIVES

1. Identify etiologies of diuretic resistance
2. Define diuretic threshold and ceiling effect
3. Identify appropriate strategies to individualize therapy in patients not meeting diuresis goals
4. Evaluate markers of renal function during diuretic therapy

## ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live Zoom webinar, enter the attendance code within the course that was provided at the conclusion of the program, complete the program evaluation within the online course, and claim credit within the course. Please contact [hsopce@auburn.edu](mailto:hsopce@auburn.edu) if you have any questions or needs related to this online CE program.

## PROGRAM FACULTY

**Dr. Hayden Lee** is currently a PGY-1 Resident at Baptist Medical Center South in Montgomery, Alabama. She is 2021 graduate of the Harrison School of Pharmacy at Auburn University. Prior to pharmacy school, Hayden attended Troy University in Troy, Alabama and graduated with her Bachelor of Science degree in Biomedical Sciences in 2017.

## FACULTY DISCLOSURES

Programming in with AUHSOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Lee has no actual or potential conflict of interest in relation to this program.

## ACCREDITATION INFORMATION

The Auburn University Harrison School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is **0001-0000-22-014-L01-P** and is intended for pharmacists and pharmacist technicians. The initial release date for this home-study program is February 16, 2022, and the intended expiration date is February 16, 2025.

Auburn University Harrison School of Pharmacy is a Board approved provider of continuing nursing education in Alabama by the Alabama Board of Nursing. Provider Number: ABNP1515
