CHEMISTRY OF ADDICTION

ERIC HEDBERG

JULY 30, 2022

PROGRAM OVERVIEW

This is a lecture to raise the awareness of the incidence of substance use disorders, explain some of the neurochemical reasons some people become addicted, and address some of the treatments available for healthcare professionals. The registration fee for this program is FREE.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.5 ACPE Contact Hours, .15 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is sponsored by the Mississippi Association of Recovering Pharmacists (MARP)

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE), Pharmacy Technicians (ACPE).

LEARNING OBJECTIVES

- 1) Describe Predisposition To Substance Abuse
- 2) Identify The Basic Neurochemistry In The Pleasure Reward Centers Of The Brain As Related To Addiction
- 3) Recognize The Differences In The Response To Mood Altering Chemicals Between Genetically Predisposed People And Non-Predisposed People
- 4) Identify The Symptoms Of Substance Dependence
- 5) Explain Why “Just Say No” Does Not Work In Substance Dependence

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live program, enter the attendance code within the course that was provided at the conclusion of the program, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming with AUHSOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information from multiple perspectives from which to form a professional opinion. In addition, a fair balance will assure that the information provided does not discuss commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Hedberg has no actual or potential conflict of interest in relation to this program.
