Pulmonary Arterial Hypertension: Considerations for
Practicing Pharmacists

Recorded Webinar

PROGRAM OVERVIEW

This program will provide 1 hour of CE credit and is offered as a recorded webinar. This program will discuss pathophysiology and diagnosis of pulmonary arterial hypertension, quantify treatment modalities for the management of pulmonary arterial hypertension and present guideline recommendations for the treatment of pulmonary hypertension. Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at www.nabp.net. **This program is also approved by the Alabama Board of Pharmacy.**

The Office of Post Graduate Education strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists

FACULTY DISCLOSURES

Programming in with AUHSOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. All listed faculty have no actual or potential conflict of interest in relation to this program.

FACULTY

Amber M. Hutchison, Pharm.D., BCPS is an Associate Clinical Professor at Auburn University Harrison School of Pharmacy on the Auburn campus. Dr. Hutchison received her Pharm.D. from Auburn University Harrison School of Pharmacy in 2007. In 2008, she completed her PGY-1 residency at Indian River Medical Center in Vero Beach, Florida, and continued to practice at IRMC as a clinical pharmacist until she joined the faculty at Auburn in 2011.

Dr. Hutchison is a Board-Certified Pharmacotherapy Specialist and is a Board Certified Geriatric Specialist. She is the consultant pharmacist for the Skilled Nursing Facility at East Alabama Medical Center. She provides medication regimen reviews and participates in a multi-disciplinary team to provide care to patients admitted for rehabilitation services. This service is also an internal medicine learning site for introductory pharmacy practice experiences, advanced pharmacy practice experiences, and PGY-1 residents.

Within the School, Dr. Hutchison teaches in Integrated Learning Experiences in the first, second, and third professional year. Additionally, she coordinates the skills laboratory experiences for the third professional year. She is also a part of the team integrating sterile compounding education throughout the curriculum.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, watch the recorded webinar, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

ACCREDITATION INFORMATION

The Auburn University Harrison School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is 0001-0000-21-023-H01-P and is intended for pharmacists only.

The initial release date for this home-study program is September 16, 2021, and the intended expiration date is September 16, 2024.

This program is approved by the Alabama Board of Pharmacy for **Consultant** update hours. A monthly report of completions is sent to the AIBOP for enduring online programs.
