MEDICATION MANAGEMENT FOR THE OLDER ADULT

Rebecca Maxson

UPDATES ON KIDNEY DISEASE

Recorded Webinar

PROGRAM OVERVIEW

This program will provide 1 hour of CE credit and is offered as a recorded webinar. It is an exciting time to be working with kidney patients. New medications plus updates to key guidelines and new payment models will result in improved outcomes for our patients with kidney disease. In parallel to these positive outcomes, inequities in incidence of CKD and care for CKD patients is a key consideration for all of these updates. This presentation will provide a brief overview of these topics. Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at www.nabp.net. **This program is also approved by the Alabama Board of Pharmacy.**

The Office of Post Graduate Education strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists

FACULTY DISCLOSURES

Programming in with AUHSOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. All listed faculty have no actual or potential conflict of interest in relation to this program.

FACULTY

A three-time graduate from Auburn University, Dr. Rebecca Maxson earned a bachelor's degree in chemical engineering in 1991 and a master's in chemical engineering in 1993. Dr. Maxson then worked as a controls engineer in industry for 10 years before returning to The Plains to complete her pharmacy degree.

Dr. Maxson earned her Pharm.D. from HSOP in 2008 and went on to complete a PGY-1 residency at Methodist University Hospital in Memphis, Tennessee. Following her residency, she was a clinical pharmacy specialist at Princeton Baptist Medical Center in Birmingham from 2009-15. While at Princeton she rounded with the nephrology and palliative care services and was an active preceptor in Princeton's PGY-1 residency program.

Within HSOP's PRC, Dr. Maxson teaches in the areas of kidney disease and pain management.

Practice Site

Dr. Maxson currently practices pharmacy at the Chronic Kidney Disease (CKD) clinic which is located inside UAB's Kirklin Clinic. This clinic is a nurse-practitioner led clinic where we see patients with all levels of CKD and patients who developed acute kidney injury (AKI) while hospitalized at UAB. Dr. Maxson cares for patients with the nurse practitioners and works closely with the clinic director on protocols and research projects for the clinic.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, watch the recorded webinar, complete the exam, finish the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

ACCREDITATION INFORMATION

The Auburn University Harrison School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is 0001-0000-21-020-H04-P and is intended for pharmacists only. The initial release date for this home-study program is September 16, 2021 and the intended expiration date is September 16, 2024

This program is approved by the Alabama Board of Pharmacy for **Consultant** update hours. A monthly report of completions is sent to the AIBOP for enduring online programs.

POST-GRADUATE EDUCATION ADVISORY COMMITTEE

Spencer Durham, Pharm.D., BCPS, BCIDP
Associate Clinical Professor, Director of Alumni & Professional Affairs

Angela Calderon, Ph.D.
Associate Professor, Drug Discovery and Development

Sarah Cogle, Pharm.D., BCCCP
Assistant Clinical Professor, Pharmacy Practice

Danielle Waites, MSW
Patient Care Coordinator, Clinical Affairs and Outreach

Edward Chou, Ph.D.
Associate Professor
Department: Health Outcomes Research and Policy

Haley Phillippe, Pharm.D., BCPS, BCGP, FASCP
Associate Clinical Professor, Pharmacy Practice

Erika Kleppinger, Pharm.D., BCPS
Associate Clinical Professor, Pharmacy Practice

Alison Baker, Pharm.D.
Coordinator of Distributive Services, AU Employee Pharmacy

Marian Williams, MS
Academic Programs Administrator, Faculty Affairs and Strategic Initiatives

Tanja Redd, MBA
Academic Programs Coordinator, Alumni and Professional Affairs

Brianna Foster
