

Sterile Compounding: 2022 Update for USP 797 and Beyond

Dr. Amber Hutchison

RECORDED WEBINAR

PROGRAM OVERVIEW

Appropriate sterile compounding is an essential skill for pharmacists involved in the provision of sterile products. The U.S. Pharmacopeia (USP) has established standards for preparing sterile products, but these standards undergo periodic revisions and updates. This program will provide an update on the current status of USP guidance for sterile compounding. This program has been approved by the ALBOP for continuing education didactic renewal requirements for pharmacists certified in sterile compounding. To fully comply with the ALBOP sterile compounding renewal requirements for both didactic and practical components, participants must complete their practical component outside of this program offering. Results from fingertip/ media fill tests will fulfill the practical component requirement. The registration fee for this program is \$50.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 2.0 ACPE Contact Hours, .2 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE).

LEARNING OBJECTIVES

1. Describe the role of USP in sterile product preparation standards.
2. Compare the current USP General Chapter <797> standards with the proposed revisions from 2021.
3. Explain the standards in the USP General Chapter <800>.
4. Examine the potential impact of these revisions on compliance with sterile compounding standards.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, watch the recorded webinar within the program, take the quiz, complete the program evaluation within the online course, and claim credit within the course. Please contact hsofce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure than information provided does not discuss since commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Hutchison has no actual or potential conflict of interest in relation to this program.

PROGRAM FACULTY

Amber M. Hutchison, Pharm.D., BCPS is an Associate Clinical Professor at Auburn University Harrison School of Pharmacy on the Auburn campus. Dr. Hutchison received her Pharm.D. from Auburn University Harrison School of Pharmacy in 2007. In 2008, she completed her PGY-1 residency at Indian River Medical Center in Vero Beach, Florida, and continued to practice at IRMC as a clinical pharmacist until she joined the faculty at Auburn in 2011.

Dr. Hutchison is a Board Certified Pharmacotherapy Specialist and is a Board Certified Geriatric Specialist. She is the consultant pharmacist for the Skilled Nursing Facility at East Alabama Medical Center. She provides medication regimen reviews and participates in a multi-disciplinary team to provide care to patients admitted for rehabilitation services. This service is also an internal medicine learning site for introductory pharmacy practice experiences, advanced pharmacy practice experiences, and PGY-1 residents.

Within the School, Dr. Hutchison teaches in Integrated Learning Experiences in the first, second, and third professional year. Additionally, she coordinates the skills laboratory experiences for the third professional year. She is also a part of the team integrating sterile compounding education throughout the curriculum.

ACCREDITATION INFORMATION

The Auburn University Harrison College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is **0001-0000-22-070-H07-P** and is intended for pharmacists.

POST-GRADUATE EDUCATION ADVISORY COMMITTEE

Spencer Durham, Pharm.D., BCPS, BCIDP
Associate Clinical Professor, Director of Alumni & Professional Affairs

Alison Baker, Pharm.D.
Coordinator of Distributive Services, AU Employee Pharmacy

Angela Calderon, Ph.D.
Associate Professor, Drug Discovery and Development

Edward Chou, Ph.D.
Associate Professor
Department: Health Outcomes Research and Policy

Renee' Delaney, MBA
Operations Manager, COACH

Sarah Kimble, CPhT
Lead Pharmacy Technician, Auburn University Employee Pharmacy

Erika Kleppinger, Pharm.D., BCPS
Associate Clinical Professor, Pharmacy Practice

Haley Phillippe, Pharm.D., BCPS, BCGP, FASCP
Associate Clinical Professor, Pharmacy Practice

Danielle Waites, MSW
Patient Care Coordinator, Clinical Affairs and Outreach

Marian Williams, MS
Academic Programs Administrator, Faculty Affairs and Strategic Initiatives

Tanja Redd, MBA
Program Coordinator, Alumni and Professional Affairs

Brianna Foster
Program Administrator, Alumni and Professional Affairs

Members of the Post-Graduate Education Advisory Committee have completed a conflict of interest disclosure form and have no actual or potential conflicts of interest in relation to this program.
