

COVID-19 IN THE PEDIATRIC POPULATION

DR. LEA EILAND

WEDNESDAY, FEBRUARY 22, 2023 AT 12-1PM CT VIA
ZOOM

PROGRAM OVERVIEW

COVID-19 is common in the pediatric population. The prevalence and mortality rates will be discussed as well as symptoms and patient populations who are at high risk for severe disease. Treatment recommendations from national guidelines and vaccine recommendations will be discussed. There is no registration fee for this program.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1.0 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by ABN, and ABSWE.**

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This project was funded in part through a grant from the National Heart, Lung, and Blood Institute, #OT2HL156812 – Alabama Community Engagement Alliance against COVID-19 Disparities (Alabama CEAL) project, under subcontracts with Research Triangle Institute and Westat, Inc.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE), Nurses (ABN), and Social Workers (ABSWE).

LEARNING OBJECTIVES

- Characterize the statistics of COVID-19 in the pediatric population
- Describe symptoms of COVID-19 in the pediatric population
- Identify pediatric populations at risk of severe COVID-19 disease
- Develop a treatment plan for a pediatric patient with COVID-19
- Identify COVID-19 vaccines for use in the pediatric population

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live Zoom webinar, enter the attendance code within the course that was provided at the conclusion of the program, complete the program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.
