

# Curriculum Vitae

---

May 2024

Elizabeth Monsees, PhD, MBA, RN, CIC, FAPIC, FSHEA  
30 west 58<sup>th</sup> Terrace  
Kansas City, MO 64113  
Mobile: (816) 517-0946  
Multi-State Registered Nurse # 2000149186

Children's Mercy Hospital  
2401 Gillham Road  
Kansas City, MO 64108  
Mobile: (816) 517-0946

## **Education**

2018	PhD	University of Missouri—Columbia, MO Nursing -Health Systems
2012	MSN, MBA	University of Mary—Bismarck, ND MSN – Leadership MBA – Healthcare Administration
1999	BSN	University of Missouri—Columbia, MO

## **Certifications**

Infection Prevention and Control Certification via Certification Board of Infection Control and Epidemiology, Inc #100895 Expires 12/21/2025

Certificate Program in Pediatric Bioethics, Children's Mercy Bioethics Center, Kansas City, MO  
2021-2022

## **Professional Background**

### **Clinical and Leadership Experience**

Children's Mercy Hospital, Kansas City, MO  
2022– present Senior Director, Infection Prevention and Stewardship Integration  
2016– 2022 Antibiotic Stewardship Program Manager  
2019– 2022 Senior Researcher  
2012– 2016 Clinical Safety Officer  
2008– 2012 Infection Preventionist

St. Joseph Medical Center, Kansas City, MO  
2002– 2008 Infection Preventionist

Saint Luke's Hospital, Kansas City, MO  
2000– 2002 Clinical RN II, Neonatal Intensive Care Unit

### **Academic Experience**

University of Missouri, School of Medicine, Kansas City, MO  
2019– present Assistant Teaching Professor

University of Missouri, Sinclair School of Nursing, Columbia, MO  
2016– 2018 Teaching Assistant

### **Additional Leadership Positions**

#### **American Nurses Association/Centers for Disease Control and Prevention**

2016– 2018 Member, ANA/CDC: Role of Registered Nurses in Hospital Antibiotic Stewardship

2018 Representative for ANA to the CDC Laboratory Capacity for Infectious Diseases  
Healthcare-associated Infections and Antibiotic Resistance

2017– 2018 Co-lead, ANA/CDC Antibiotic Stewardship Metrics Subgroup

#### **Association for Professionals in Infection Control and Epidemiology (APIC)**

##### National & International APIC

2022– 2024 Co-Chair, Research Committee

2022 Subject Matter Expert, Collaborative Infection Prevention and Control Training for  
Missouri Schools

2021– 2022 Member, Research Committee

2021 Subject Matter Expert, National Network of Public Health Institutes

2020– present Clinical Editor, APIC Online Text of Infection Control and Epidemiology

2018– 2019 Chair, Nominating and Awards Committee

2017– 2018 Member, Nominating and Awards Committee

2013– 2015 Member, Education Committee

2014– 2019 Faculty, EPI® Intensive Training Courses – Orlando, FL & Seattle, WA  
Faculty, Advance Practice Workshops - Anaheim, CA; Austin, TX; Seattle, WA  
Faculty, Train the Trainer Epidemiology – Cairo, Egypt & Tel Aviv, Israel  
Faculty, Certification Preparatory Course – Portland, OR

2011-2013 Vice Chair, Communications Committee

##### Local APIC

2008 Past President, Greater Kansas City APIC Chapter

2007 President, Greater Kansas City APIC Chapter

2006 President Elect, Greater Kansas City APIC Chapter

2005– 2006 Chair, Education Program Committee, Greater Kansas City APIC Chapter

#### **Certification Board of Infection Control and Epidemiology (CBIC)**

2023– present Advanced Certification in Infection Prevention Taskforce

## **Children's Mercy Hospital, Kansas City, MO**

2022– present Planning Committee and Faculty, Pediatric Bioethics Certificate Course  
2022– present Member, Institutional Review Board  
2020– 2021 Chair, Research and Evidence-based Practice Committee  
2016– present Member, Antimicrobial Stewardship Committee  
2016– present Member, Research and Evidence-based Practice Committee  
2013– 2016 Co-Chair, Central Line-Associated Bloodstream Infection Committee  
2013– 2014 Chair, Error Prevention Education Program

## **Editorial Boards**

2024– present Associate Editor, Editorial Board, *International Journal of Infection Control*  
2023– present Editorial Board, *Antimicrobial Stewardship & Hospital Epidemiology*  
2021– present Clinical Editor, APIC Online Text of Infection Control and Epidemiology  
2020– 2021 Associate Editor, APIC Online Text of Infection Control and Epidemiology  
2019– present Editorial Board, *American Journal of Infection Control*

## **Pediatric Infectious Diseases Society**

2022– 2025 Member, Antimicrobial Stewardship Committee

## **Society for Healthcare Epidemiology of America (SHEA)**

2024– present Member, Education Committee – Leadership Education Pathways Program  
2021– present Member, Diagnostic Stewardship Workgroup  
2020– 2022 Panelist, Compendium on Central Line Associated Bloodstream Infection  
2019– 2021 Member, Research Committee  
2020 Co-Chair Research Scholar Sub-committee, Research Committee

## **US Agency for International Development**

2012 Faculty, Infection Prevention and Control Course, Cairo, Egypt

## **Selected Written Work**

### **Peer-review Publications**

1. Lyon, E., Goldman, J., Lee, B., Campbell, M., Selvarangan, S., & **Monsees, E.** (in press). Repeat tracheal aspirate cultures in pediatric intensive care patients: Frequency, resistance, and antimicrobial use. *Infection Control & Hospital Epidemiology*.
2. Kwon, J., Advani, S., Branch-Elliman, W., Braun, B., Chi-Chung Cheng, V., Chiotos, K., ...**Monsees, E.**, ...Mody, L. (in press). A call to action: The SHEA research agenda to combat healthcare-associated infections. *Infection Control & Hospital Epidemiology*.
3. **Monsees, E.**, Wirtz, A., & Krein, S. (2023). Stewardship 2.0: Embracing elements of implementation science to enhance everyday antimicrobial stewardship efforts. *Antimicrobial Stewardship & Healthcare Epidemiology*. 3(1), E149. Doi:10.1017/ash.2023.413

4. Ku, T., Al Mohajer, M., Newton, J., Wilson, M., **Monsees, E.**, Hayden, M.,...Vaughn, V. (2023). Improving antimicrobial use through better diagnosis: The relationship between diagnostic stewardship and antimicrobial stewardship. *Infection Control & Hospital Epidemiology*, 1-8. Doi:10.1017/ice.2023.156
5. Merrill, K., Cervantes, D., Hebden, JN., Pogorzelska-Maziarz, M., Piatek, D., **Monsees, E.**, Hessels, A. (2023). Infection preventionists in public health, consultant and academic roles: Results from the 2020 APIC MegaSurvey. *American Journal of Infection Control*. 2023 Sep 7:S0196-6553(23)00606-5. doi: 10.1016/j.ajic.2023.09.001. Epub ahead of print. PMID: 37689123.
