

Alabama Health Professionals'
Opioid And Pain Management Education

Maternal Child Health and Substance Use Disorder

ALAHOPE Team – Heather Martin, MSBA; F. Darlene Traffanstedt, MD; Sue Feldman, RN, MEd, PhD; J. Matthew Hart, JD, CFE

Recorded Webinar

PROGRAM OVERVIEW

An interactive, online training session regarding maternal child health and substance use disorder.

Following registration, participants will have access to course instructions, presentations, recorded webinar, program evaluation, CE certificates and credits, etc. **This program is approved for 0.75 ACPE Contact Hours, 0.075 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. This program is also approved by ABN, ACCME, ABSWE, BDEA, ABO, and ABP.

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This project is supported by a cooperative agreement with the Centers for Disease Control and Prevention (CDC), being grant number 6 NU17CE924964-02-02, Overdose Data to Action, Injury Prevention Control Research and State and Community Based Programs Funding (93.136). The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement by, CDC or U.S. Government.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE), Pharmacy Technicians (ACPE), Physicians (ACCME), Physician Assistants (ACCME), Nurse Practitioners (ACCME), Nurses (ABN), Social Workers (ABSWE), Dentists (BDEA), Optometrists (ABO), Podiatrists (ABP), and Attendance Credit/Certificate for Counselors, Occupational Therapists, and Physical Therapists.

LEARNING OBJECTIVES

1. Recall that women of reproductive age with substance use disorder have unique health needs and the best practices of care and treatment for them
2. Recognize best treatment practices for managing infants born to mothers who have used opioids during pregnancy
3. Repeat the common stigma issues around substance use during pregnancy
4. Reproduce common stigma issues and evidence-based management strategies around neonatal opioid withdrawal syndrome (NOWS) and fetal alcohol syndrome (FASD)

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, complete a pre-quiz, view the recorded program, complete the post-quiz and program evaluation within the online course, and claim credit within the course. Please contact hcopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience. Faculty disclosures will also be included on an introductory slide during the presentation. No presenters have actual or potential conflict of interest in relation to this program.

ACCREDITATION INFORMATION

The Auburn University Harrison College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is 0001-9999-24-010-H08-P and is intended for pharmacists. The initial release date for this home-study program is January 24, 2024, and the intended expiration date is January 24, 2027.

ABN - Auburn University Harrison College of Pharmacy is a Board approved provider of continuing nursing education in Alabama by the Alabama Board of Nursing. Provider Number: ABNP1515
