Overdose Trends in Older Adults & Insights from the Inside

Dr. Haley Phillippe

Recorded Webinar

PROGRAM OVERVIEW

This session highlights the rising concerns around overdose and substance use among older adults, supported by current data and trends. The session includes an interactive Q&A featuring individuals with lived experience, offering personal insights into the challenges and recovery journeys related to substance use. This dialogue aims to foster understanding, reduce stigma, and inspire more compassionate, informed care for older adults. There is no registration fee for this program.

Following registration, participants will have access to course instructions, presentations, recorded webinar, program evaluation, CE certificates and credits, etc. **This program is approved for 2.0 ACPE Contact Hours, .2 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by ABN, ABSWE, ACCME.**

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

Funding for this conference was made possible in part by grant 1R13HS029600-01A1 from the Agency for Healthcare Research and Quality (AHRQ). The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
