Opioids and Naloxone: Overdose Recognition, Response, and Prevention

Dr. Anne Taylor

May 20, 2026 @ 12 pm – 1 pm CT

PROGRAM OVERVIEW

The opioid crisis continues to impact individuals, families, and communities. Timely naloxone administration has proven to be one of the most effective tools in preventing fatal opioid overdoses, yet barriers to access, education, and stigma persist. This webinar will provide an overview of the current opioid landscape, including overdose trends and risk factors. Participants will learn how to recognize an opioid overdose and understand how naloxone works.

The registration fee for this program is: Free

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy>

The Office of Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization, and no commercial support has been received for this activity.

TARGET AUDIENCE

This application-based course is intended for Pharmacists (ACPE), Physicians (ACCME), Physician Assistants (ACCME), Nurse Practitioners (ABN), Nurses (ABN), Dentists (AL board approval), and Social Workers (ABSWE).

LEARNING OBJECTIVES

By the end of this webinar, participants will be able to:

- Describe current trends in opioid misuse and overdose.
- Identify signs and symptoms of opioid overdose.
- Explain the mechanism of action, indications, and administration routes for naloxone.
- Apply evidence-based protocols for overdose response, including safe naloxone administration and post-reversal considerations.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live Zoom webinar, enter the attendance code within the course that was provided at the conclusion of the program, complete the program evaluation within the online course, and claim credit within the course. Please contact hcopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider, and such information will be made available to the audience. Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Taylor and others in control of the content have no actual or potential conflicts of interest in relation to this program.

ACCREDITATION INFORMATION

The Auburn University Harrison College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this application-based program is **0001-9999-26-003-Lo8-P** and is intended for Pharmacists (ACPE), Physicians (ACCME), Physician Assistants (ACCME), Nurse Practitioners (ABN), Nurses (ABN), Dentists (AL board approval), and Social Workers (ABSWE).

ABN - Auburn University Harrison College of Pharmacy is a Board-approved provider of continuing nursing education in Alabama by the Alabama Board of Nursing. Provider Number: ABNP1515.

ABSWE - Auburn University Harrison College of Pharmacy is a Board-approved provider of continuing education for social workers by the Alabama Board of Social Work Examiners. Provider Number: 0643.

Disclosures: No commercial support is being received for this program. Dr. Taylor and others in control of content have no actual or potential conflict of interest in relation to this program. No individuals in a position to control content for this activity have any relevant financial relationships to declare.

PROGRAM FACULTY

Anne Taylor, Ph.D., is a neuroscientist and science educator with over eight years of research experience in addiction biology and neural circuitry. She earned her Ph.D. in Neuroscience from Vanderbilt University, where her work focused on insula–BNST circuit adaptations following alcohol withdrawal and stress. Currently, she is the COACH Postdoctoral Fellow at Auburn University's Harrison College of Pharmacy, contributing to statewide research and educational initiatives aimed at reducing substance misuse in Alabama. Her work spans health outcomes research, continuing education for healthcare professionals, and K–12 substance use education.

TECHNOLOGY REQUIREMENTS

Participants are encouraged to secure a direct connection for all webinar programming. Please arrange for access to a computer with stable internet connection and Zoom capabilities. This program will be conducted via Zoom and includes interactive components.

If you're a new participant, we have a quick start guide here: <https://aub.ie/zoomquickstart>.
