RECORDED Vaping Exposed: Health Risks, Youth Trends, and Prevention Strategies

Dr. Miranda Andrus

Recorded Webinar

PROGRAM OVERVIEW

Vaping has become one of the most prevalent forms of substance use among adolescents and young adults, driven by appealing flavors, targeted marketing, and widespread information regarding safety. Participants will gain insight into effective screening methods, counseling approaches, and prevention strategies.

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 1 ACPE Contact Hours, .1 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>.

The Office of Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization, and no commercial support has been received for this activity.

TARGET AUDIENCE

This application-based course is intended for Pharmacists (ACPE), Pharmacy Technicians (ACPE), Physicians (ACCME), Physician Assistants (ACCME), Nurse Practitioners (ABN), Dentists (AL board approval), Nurses (ABN), and Social Workers (ABSWE).

LEARNING OBJECTIVES

By the end of this webinar, participants will be able to:

- Describe current trends and prevalence of vaping among adolescents and adults.
- Identify health risks associated with nicotine and THC vaping products.
- Recognize behavioral and physical indicators of vaping use and dependence.
- Apply evidence-based screening and brief intervention approaches appropriate for pediatric and adolescent populations.
- Utilize effective communication strategies for discussing vaping risks with youth, families, and schools.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, watch the recorded webinar, complete the quiz, complete the program evaluation within the online course, and claim credit within the course. Please contact hcopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience. Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Andrus and others in control of content have no actual or potential conflict of interest in relation to this program. Dr. Andrus discloses the following involvement in organizations, but her involvement did not impact participation or creation of materials for this program: All financial relationships have been mitigated.
