Vax Facts: Navigating the Latest Immunization Updates

Dr. Lea Eiland

Sunday, October 25, 2026 @ 2pm – 4pm CT

PROGRAM OVERVIEW

The session will cover updates on vaccines and immunization recommendations from multiple organizations, along with case-based scenarios that apply these updates to patients of various ages using several immunization tables. Participants will learn how to download mobile applications that support patient assessment of vaccine needs. The session will cover recent updates in vaccine recommendations, which participants will then apply by utilizing the apps and slides to develop vaccine plans for diverse patient scenarios. Information about new vaccines available for patients will also be discussed. Evaluating a patient's immunization status is a standard responsibility for pharmacists. Each year, vaccine availability and recommendations are subject to changes. It is crucial for all healthcare providers to stay informed about updates in vaccine recommendations, which this session will provide. Some state laws mandate that pharmacists who administer immunizations must complete ACPE-approved, immunization-related continuing pharmacy education (CPE) during each state licensing period, and this program session can aid in fulfilling those requirements.

The registration fee for this program is \$75.00

Following registration, participants will have access to course instructions, updates, presentations, webinar link, program evaluation, CE certificates and credits, etc. **This program is approved for 2 ACPE Contact Hours, .2 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by ABN, ABSWE, ACCME, BDEA.**

The Office of Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This program is not sponsored by an external organization, and no commercial support has been received for this activity.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE), Pharmacy Technicians (ACPE), Physicians (ACCME), Physician Assistants (ACCME), Nurse Practitioners (ANCC), Dentists (AL board approval), Dental Hygienists (AL board approval), Nurses (ABN), and Social Workers (ABSWE).

LEARNING OBJECTIVES

By the end of this program, participants will be able to:

1. Define key terminology related to vaccines and immunization.
2. Identify reliable sources for immunization recommendations and vaccine-related resources.
3. Interpret and apply recommended immunizations schedules to determine appropriate vaccination timing.
4. Summarize recent updates to immunization recommendations for routinely recommended vaccines
5. Develop and appropriate vaccine plan by applying ACIP immunization schedules to patient-specific cases.

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, attend the live Zoom webinar, enter the attendance code within the course that was provided at the conclusion of the program, complete the program evaluation within the online course, and claim credit within the course. Please contact hcopce@auburn.edu if you have any questions or needs related to this online CE program.

TECHNOLOGY REQUIREMENTS

Participants are encouraged to secure a direct connection for all webinar programming. Please arrange for access to a computer with stable internet connection and Zoom capabilities. This program will be conducted via Zoom and includes interactive components.

If you're a new participant, we have a quick start guide here: <https://aub.ie/zoomquickstart>.

PROGRAM FACULTY

Lea S. Eiland, Pharm.D., BCPS, BCPPS, FASHP, FPPA Dr. Lea Eiland is a Hill Crest Clinical Professor and Associate Department Head of Pharmacy Practice at Auburn University Harrison College of Pharmacy. Dr. Eiland received her Doctor of Pharmacy degree from The University of Texas at Austin and completed a pediatric specialty residency at Texas Tech University. She joined the Auburn faculty in 2002 and is a board-certified pharmacotherapy and pediatric pharmacy specialist who has practiced in the general pediatric inpatient setting, pediatric ICU, and various pediatric clinics. Dr. Eiland is an active ASHP, PPA, ACCP, and AACP member. She is currently a member of the PPA Board of Directors. She is a past member of the ASHP Board of Directors and past President of the Alabama Society of Health-System Pharmacists. Her career focuses on pharmacy education, pediatric clinical practice, professional organizational service, research/scholarship, mentorship, and leadership.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience. Faculty disclosures will also be included on an introductory slide during the presentation. Dr. Eiland and others in control of content have no actual or potential conflict of interest in relation to this program.

ACCREDITATION INFORMATION

The Auburn University Harrison College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider for continuing pharmacy education; credits are recognized nationwide. The Universal Activity Number for this knowledge-based program is **0001-0000-26-037-L01-P/T** and is intended for Pharmacists (ACPE), Pharmacy Technicians (ACPE). The initial release date for this home-study program is October 08, 2026 and the intended expiration date is October 08, 2029.

Disclosures: No commercial support is being received for this program. Faculty Name and others in control of the content have no actual or potential conflicts of interest related to this program. No individuals in a position to control content for this activity have any relevant financial relationships to declare.

POST-GRADUATE EDUCATION ADVISORY COMMITTEE

Spencer Durham, Pharm.D., BCPS, BCIDP
Associate Clinical Professor, Director of Professional Affairs
Harrison College of Pharmacy

Amy Carbajal, MPA
Chief Operations Officer, Harrison College of Pharmacy

Natalie Hohmann, Pharm.D., Ph.D.
Associate Professor, Drug Discovery and Development, Harrison College of
Pharmacy

Haley Phillippe, Pharm.D., FASCP, BCPS, BCGP
Clinical Professor, Pharmacy Practice, Harrison College of Pharmacy

Abby Bell, BSN, RNC-OB
Clinical Placement and Nurse Apprenticeship Coordinator, AU College of Nursing

Brianna Foster
Program Administrator, Alumni Affairs, Harrison College of Pharmacy

Tanja Redd, MBA, Ph.D.
Program Administrator, Professional Affairs, Harrison College of Pharmacy

Members of the Post-Graduate Education Advisory Committee have completed a
conflict-of-interest disclosure form and have no actual or potential conflicts of
interest in relation to this program.
